Now Veilings at Mrs. L. V. Davis's.

The C. and O. yesterday sold 300 tickets for the Ripley Fair.

The Maysville Elks Committee has spent almost \$5,000 to make next week's Fair the best ever.

Uncle Joe Thompson is getting comfort and beauty, by the addition of a verandah to his Fifth street home.

Mr. Jacob Helmer and bride returned last night from Cincinnati, where they have been spending their honeymoon.

The Y. M. C. A. and Mt. Carmel Baseball Clubs crossed bats yesterday, with a score of 27 to 2 in favor of Maysville.

The mother of Mr. W. W. Wiloff, whose serious illness has been mentioned in THE LEDGER, died at her home in Mason O., Wednesday night.

Mrs. Lulu B. Lutz is visiting her mother, Mrs. James Redden of East Second. Mrs. Lutz is traveling agent for the Viavi Company of Louisville.

Mrs. L. V. Davis is now prepared for the fall trade with a choice line of Millinery, and confidently invites an inspection of correct styles.

Mrs. Rebecca Duncan, aged 54, died at the home of her sister, Mrs. Linville, in Mt. Olivet. She was the widow of Richard Duncan of Harrison county.

The gross earnings of the L. and N. for the first week of August were \$665,545, an increase of \$41,285 compared with the same week last year.

First went the front fence, and now the grandstand's gone; and soon the East End Ball Park will be but a memory. Thus Maysville progresses backward.

It is said the L. and N. Railway has purchased land for \$50,000 at Latonia for its shops. Judge A. M. J. Cochran was one of the former owners of the tract.

Mr. Harry Daily, formerly with Mr. Ed Richeson, has been employed by the Misses Heiser in their West Second street grocery as clerk. He will take his position Monday.

J. W. Elgia, who has just returned from a trip through Clark, Bourbon and Scott, reports the crops as looking well—especially in Clark is the outlook promising.

Mr. William G. Heiser and family left Thursday morning for Greensburg, Ind., where Mr. Heiser has engaged in the wholesale grocery business. Will's friends here wish him success in his new home.

Too many goods induces us to make a great reduction in price on lines of gold and gold filled watches, diamonds, sterling silver spoons and forks, cut glass, etc.

MURPHY, the Jeweler.

John Gray, son of Mr. and Mrs. Jack Wadsworth, was a few days ago accidentally cut on the cheek by a scythe in the hands of a workman engaged in cutting grass on his father's place. We are pleased to state that the little fellow's injury was only slight.

The premiums in every department of the Maysville Elks Fair, August 19th to 23d, have been increased and many new ones added. The premiums offered amount to nearly \$1,500, and include several rings for a premium of \$100 and a number of \$25 rings. This should attract the best of Kentucky's thoroughbreds.

The real estate belonging to W. W. Thomas, near the corner of Elbertson and Purcell avenues, Price Hill, Cincinnati, was sold Wednesday to satisfy the judgments obtained against him by the insurance companies. There were two pieces of land appraised at \$400 and \$150, respectively, and they were bid in two-thirds of that amount.

Miss Katherine Mendell entertained Wednesday with a picnic in Burgoyne's woods in honor of Miss Carrie Knapp of Newark, N. J., who is the charming guest of Miss Katherine Schwartz. Among those present were Mrs. Charles Young, Mrs. James Childs, Misses Carrie Knapp, Katherine Schwartz, Katherine Mendell, Edna Linn Baudel, Alberta Helmer, Viola Helmer, Nona Albrighton Miller and Bertha Spott.

Mr. Stone of Carthage, Mo., now in our city, has in his possession two pieces of antiquity in the form of two Continental bills, one \$3 of 1777 date and a \$3 bill of 1776. They are 3 1/2 x 3 1/2 in size, and were secured from an old citizen of Salisbury, N. C., who said they were heirlooms handed down by his fore-parents. One is stained, said to be blood of a Continental soldier. They bear the imprint of Hall and Sellers, printers. The printing is dimmed by age, but it states that it is redeemable in Mexican silver.

Cartmell extracts teeth without pain.

Mrs. Sallie Baldwin and daughter, Mrs. Fannie Geisel, Miss Edith Berry, Miss Florence Darrell, Mr. and Mrs. John W. Tilton and Miss Lottie Kirk are Maysville's campers at Parks Hill.

There have been some marked improvements at the Fairgrounds, made by the Elks. That old eyesore of a judge's stand, which was an obstruction, destroying the view from the Amphitheater to the track, has been removed, the bandstand has been more than doubled in size, a new ticket office has been provided, and the Secretary's office has been fitted up under a portion of the grandstand.

## HAVE COME TO TERMS!

The Famous Marshall Will Case Compromised at Augusta.

At the end of one expensive lawsuit to break the will of the late Hon. Thornton F. Marshall of Augusta, the case has been compromised.

Of the estate of about \$105,000, the daughter, Mrs. Lou Marshall, receives \$67,500.

The beneficiaries of the will got the remaining \$37,500, to be prorated.

Of the latter sum, the city of Augusta will get about \$10,000, and the Augusta Public School District \$1,200.

## SUDDENLY CALLED!

Mrs. Charlotte Lewis Died Yesterday at Her Hord's Hill Home.

Charlotte, wife of Edward Lewis, died suddenly at her home on Hord's Hill last evening at 7:30 o'clock.

She was in good health, and was finishing a day's washing. She had just completed the last piece and was hanging it on the line when she fell to the ground, and was carried to a couch, where she expired in a few minutes.

She was 24 years old, and leaves a husband and one child, aged 2 years.

She was much liked by her neighbors, who speak well of her as a good woman.

## ROUSING RECEPTION!

The Rev. Howard T. Cree Had a Warm Welcome Yesterday.

If numbers and enthusiasm count, then the Rev. Howard T. Cree, wife and baby must have been highly gratified at the reception tendered them yesterday at the C. and O. Station on their arrival here on a visit to friends—and that includes everybody.

Not the least important personage was the baby, which was taken charge of by Major Means, but whether it was to protect it from the kisses and hugs that all seemed willing to bestow or to act as wet nurse the Scribe was unable to find out. The Major filled the bill in taking care of the baby, however.

## BITTEN BY BULLDOG!

Inoffensive Colored Boy Attacked and Injured Last Afternoon.

Yesterday afternoon about half-past 1 o'clock William Jimmeson, a colored boy aged 15 years, living in the Fifth Ward, was sitting on the steps of the First National Bank fondling Colonel George S. Rosser's pet dog.

A number of the Murray Comedy Company passed, and following them was a bulldog that attacked the colored boy, biting and lacerating his hand in a fearful manner.

They passed on to the Opera-house where they are rehearsing for the opening during week of Elks Fair.

Their attention being called to the condition of the boy's hand they had him sent to the office of Dr. Yazel who gave it proper treatment.

## MORGAN'S MEN.

Will Hold a Reunion at Parks Hill August 18th, 19th, 20th.

The reunion of Morgan's Men, to be held at Parks Hill on August 18th, 19th and 20th, will be an occasion of great interest to all who wore the gray.

Elaborate plans have been made for the comfort and pleasure of all who may attend.

Among the Committee of Arrangements we note the name of our fellow-townsmen John W. Boulden of the First National Bank.

Eminent speakers will be present, such as the silver-tongued orator, W. C. F. Breckinridge, whose power as a speaker is well known to our citizens, Basil W. Duke and John B. Castleman.

Joseph E. Johnston Camp No. 442 of this city will probably go as a body, the members of which are as follows—

Dr. A. H. Wall, Com. John W. Boulden, Adjutant; M. W. Coulter, John E. Bouldin, T. J. Chenoweth, Alex. Duke, Griffin Arthur, Walter Matthews, S. H. Mitchell, Dan Perrine, John B. Peters, W. H. Tobbs, G. S. Wall, H. M. Warder, J. M. Prazee, J. M. Res, J. C. Pickett, W. M. Collins, T. F. Kilgore.

As one who wore the Blue we wish our valiant, gallant, one-time foe a most happy and pleasant time. Now that we are one we join hands and invoke God's blessings.

Mrs. L. V. Davis's Fall line of Millinery is now complete.

Rev. D. M. Walker of Vanceburg is assisting Rev. Milo Atkinson in a meeting at Tollesboro.

Olive Hill, Carter county, gets the 1904 season of the Grand Castle of Kentucky, Knights of the Golden Eagle.

Mr. John Lawwill, a son of the late Dr. Lawwill, formerly of Mayslick, and Miss Jennie Oxley will wed at Muskogee, Indian Territory, on August 18th.

The Democrats of the Thirty-fifth District, at their Senatorial Convention at Owingsville this week, endorsed Hon. Rolla K. Hart of Fleming for Railroad Commissioner.

The report that Mr. J. C. Cablish, Jr., of Market street had purchased a grocery and would move to Portsmouth was incorrect. Mr. Cablish intends to remain in Maysville and to continue business at his old stand.

Go to Ray's Postoffice Drugstore for Pure Paris Green.

Never compare prices without comparing quality; you will find more difference in quality than you will in price. See our monuments and markers before buying elsewhere.

MURRAY & THOMAS.

Dr. James Butchart, a former well known practitioner of Dover, was married Saturday, July 11th, at Shanghai, China, to Miss Nellie Dangherty, a Missionary in that country. Dr. Butchart has also been doing mission work there for the past twelve years.

Captain C. C. Calhoun, who is in Washington representing the state of Kentucky in the prosecution of war claims, has taken an appeal to the Controller of the Treasury on the Fourth Kentucky Regiment claim for pay from date of enrollment to the date of muster in, involving between \$50,000 and \$60,000.

# CORSETS....

Summer ease and comfort are represented by these corsets and in no article of dress is comfort more essential than in corsets. In the past fastidious women shunned 50c corsets and one or two models fully supplied the demand. Now we have fifteen different styles at that price. Economical women find them best for summer wear. Thin gowns demand spotless corsets and when use or perspiration dims the freshness, it is easier to replace a 50c corset than a higher priced one. The models, workmanship and materials have wonderfully improved. The old-fashioned net is entirely superseded by thin batiste and all the popular models for full and slender figures can be found among 50c corsets. Some have hose supporters attached.

## Women's Silk Gloves at 50c.

These are pure silk Kayser tipped gloves made to sell at one dollar and now reduced to 50c. They are elbow length in two styles,

## Shirt Waist Sets.

Plain and fancy pearl, gilt, silver and enamel; 3 to 4 buttons to a set. With safety pin backs. Priced at half. 15c and 25c formerly 25c and 50c.

## 15c Danish Cloth at 10c Yard

The very texture of the cloth suggests kimonas and matinees and wrappers and house gowns and all the easy garments that help make life lazy and "comfy" and worth living in hot weather.

The fabric is in two colors, pretty shades of tan and pink. In weave it resembles canvas cloth.

## REPUBLICAN COUNTY CONVENTION.

The Republicans of Mason county will meet at the Courthouse Saturday, August 23d, 1903, at 1 o'clock p. m., to select delegates to the Conventions to be held at Vanceburg August 26th, 1903, to nominate candidates for Judge of the Nineteenth Judicial District and State Senator from the District composed of Mason and Lewis counties. Basis of representation is one delegate for each 50 votes and fraction over 25 cast for Presidential election in November, 1900. W. D. COCHRAN, Chairman.

THE Louisville Post says with cotton bringing \$600,000,000 to the South, without the aid of free silver, the South should no longer be solid for BRYAN.

THE National Building Trades Council has adopted a label for placing on buildings built wholly by Union labor. The next step will probably be the labeling of water, to show that none but Union men make it.

IN the last year the United States has paid in ocean freights to foreign ships \$250,000,000. Of course it would be all wrong to "subsidize" American ships and pay all this money to them. You see a family always gets rich by paying money to outsiders instead of to its own members; and a Government is nothing more nor less than a large family.

THROUGH an organized movement by the Rev. J. H. HENRY DUCKERY of Cambridge, Mass., 500,000 Negroes will have emigrated from the South to a point between New York, Boston and Providence within three years, says a special dispatch from Troy, N. Y. The work of arranging for the migration has been carried on secretly by the Northeastern and Western Immigration Society, of which Mr. DUCKERY is President. The money is said to have been subscribed by wealthy men and women, who believe that the scheme is the safe and sure solution of the Negro problem.

Captain Louis M. Chastean, Chief of the Fairmount Park Police of Philadelphia, is dead, aged 70. He claimed to be the oldest Morse telegraph operator in the world.

James Coghill, forty years of age, who had lived three and a half years with a broken neck, is dead at Holyoke, Mass. The fall which fractured the spinal column caused paralysis below the break.

Oliver Everett Roberts, for twenty-five years Cashier in the United States Assay Office in New York and formerly United States Consul to Hong Kong, is dead at his home in Orange, N. J., from paralysis.

Eaton Stone, well known in his time as a circus performer, is dead at his home in Nutley, N. J., at the age of eighty-six. Stone is said to have been the first man to turn a somersault on a galloping horse.

Through an organized movement by the Rev. J. H. Henry Duckery of Cambridge, Mass., it is said that 500,000 Negroes will have emigrated from the South to points between New York, Boston and Providence within three years.

**Not Over-We.**  
There is an old allegorical picture of a girl seated at a grasshopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by J. Jas. Wood & Son, Druggists.

A HANDSOME booklet has just been issued by the Vermont Board of Agriculture descriptive of that state and its attractions. It is entitled: "Vermont; Its Opportunities for Investment in Agriculture, Manufacture, Minerals, and Its Attractions for Summer Homes." It is filled with

information regarding the state in its various industries, principally its agricultural resources. Handsomely illustrated, it shows the world at large the wonderful resources of Vermont.

IN Kentucky, says The Louisville Herald, we do things somewhat differently. We issue no booklet setting forth the marvelous opportunities of the state for investment in agriculture, manufactures or minerals, or descriptive of its attractions for summer homes. We content ourselves with permitting the Hon. HENRY V. MCCLESNEY to lavish thousands on a biennial report, showing how Kentucky fails of its duty in educational effort.

For one opportunity that Vermont can present, Kentucky can offer five; for one attraction which Vermont possesses, Kentucky has a dozen. The area of Vermont is 9,565; that of Kentucky 40,400 square miles. The population of Vermont is 343,641; that of Kentucky 2,147,174. The density of population is in Kentucky 53.7, and in Vermont 37.6. Kentucky has 413,974 dwellings and 437,054 families; Vermont 75,021 dwellings and 81,463 families. There are in Kentucky 172,042 homes free of debt, and in Vermont 26,712. Vermont has charming scenery of lake, mountain, valley and river, but picturesque Kentucky has attractions in this same direction unsurpassed in the world. The Green Mountain State glories in Lake Champlain; Kentucky in its magnificent Ohio. The splendid tributaries of the Ohio, coursing down from the mountain section of Kentucky, are of unsurpassed beauty. In many cases, and for considerable stretches navigable at present, they could be in many more instances and for great expenses improved so as to carry trade and travel into the remotest sections of the state. A business administration at Frankfort will set about this task. It will also advertise the opportunities and attractions of the state.

# Farm AND Fair!

You will be in next week to attend the Elks Fair. Bring your wife to town in the morning and come to my office and let us talk over that matter about your buying a farm. I am sure that she will think it is a wise thing to do. This thing of being a renter all your life is not a very pleasant thing to contemplate, especially when your wife thinks you are the equal of any other man. You need not necessarily buy a very large place, but after having paid for a small one it will then be time for you to look for something of larger proportions. I shall expect to see you some time during the week.

Very truly yours,

SUGGESTION APPROVED.

Editor Ledger: THE LEDGER's suggestion to pave Patton alley from wall to wall clear through from Second to Front street with improved paving brick is a good one from several points of view.

First—There are many ladies that live in Front street, together with their friends, that use this alley to pass back and forth to Second street in order to avoid crowds in Market street.  
Second—It is in the middle of the shopping district, and would be most convenient to travel if our Board of Trade could make arrangements to have all local trains stop in front of this avenue.  
Third—All attractions on the river call people down this avenue, not only from Second street, but from Court and Third streets.

Fourth—I am informed that, if this improvement is made, an arc light will burn in the center of this passway every night free of cost to the city, and that the sanitary condition of same at all times will be perfect.

Fifth—Business houses have many packages to deliver to trains and it would be a great convenience in making these hurried runs to have a smooth walk, without having to jump from cobblestone to slush-puddle to make these quick train connections.

Sixth—The arc light that will be erected will not only light the avenue, but will throw its protecting rays in the rear of all our business houses on the North side of Second street, which will give greater security to back doors and shutters from thieves.

Seventh—In honor of the long residence and business interest of George Cox & Son on one side of this alley, that when said alley is improved as suggested by you, that it be known hereafter by suitable ordinance by the City Council as Cox avenue. BRICK STREET.

Rev. T. S. Buckingham will preach tomorrow and Sunday at Mt. Olivet.

This week has been the winter of discontent among the colored cooks and servant girls in this city. The Ripley Fair has caused the heartache. Two of them were bewailing their misfortunes in front of Pecor's Drugstore this morning and it was real pathetic to hear them.

There was a ruction among the colored folks at a dance hall in Ripley yesterday, where brass knucks and clubs were in evidence. A man named Adams, from the East end of this city, slashed another gentleman of color with a big knife, slicing his scalp in a beautiful manner. Adams is in Jail at Ripley and the other fellow was sent to his home in this county.
